# APPLICATIONS

Kitchen countertops, islands, bathroom vanities, wall features, hospitality surfaces, retail interiors and custom furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A01

# SILVER STRATA

Silver Strata presents a soft grey surface with fine, flowing movement, offering a calm and versatile character for contemporary interiors.

STANDARD SLAB
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A02

# IVORY DRIFT

Ivory Drift combines a warm ivory foundation with soft, organic movement, bringing depth and natural elegance to contemporary interiors.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A03

# ARCTIC CASCADE

Arctic Cascade layers cool grey mineral movement across a pale surface, creating a composed architectural character.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A04

# SILVER FJORD

Silver Fjord brings expressive silver-grey movement to a light foundation, creating depth for contemporary interiors.

STANDARD SLAB
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

ENGINEERED QUARTZ SURFACES

A05

## LUNAR MIST

Lunar Mist combines a pale grey foundation with delicate scattered texture for a quiet, versatile surface.

STANDARD SLAB
3200 × 1600 mm

### AVAILABLE THICKNESSES

15 mm · 18 mm · 20 mm · 30 mm

### COMPOSITION

Approximately 93% quartz and 7% resin, pigments and binding materials

### APPLICATIONS

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

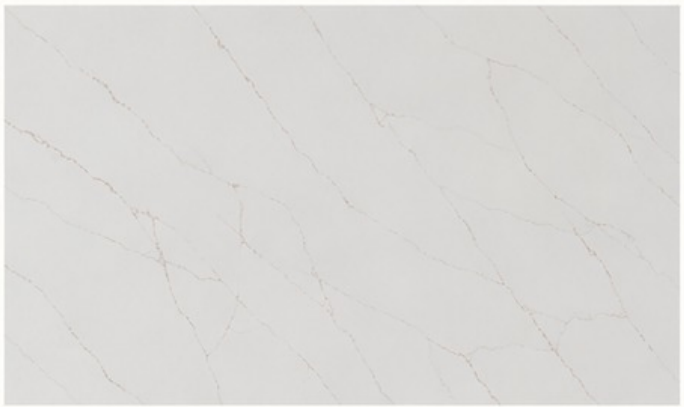
AVELITHA

ENGINEERED QUARTZ SURFACES

A06

# CALACATTA SEREIN

Calacatta Serein pairs a clean white foundation with fine warm-grey veining for an understated contemporary expression.



**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**
15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**
Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**
Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A07

# AMBER STRATA

Amber Strata presents rich amber-brown layering with continuous movement, creating a warm architectural focal point.

STANDARD SLAB
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A08

# ALBA FROST

Alba Frost offers a softly clouded white surface with restrained mineral detail for calm, light-filled interiors.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A09

# POLAR SILK

Polar Silk presents a soft white surface with subtle linear movement for refined, understated interiors.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A10

# PEARL VEIL

Pearl Veil layers delicate movement across a pearl-white foundation, creating a quiet and adaptable surface.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**
15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**
Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**
Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

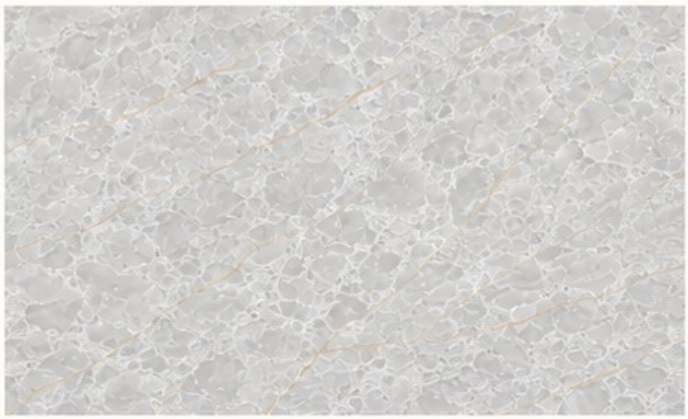
AVELITHA

ENGINEERED QUARTZ SURFACES

A11

# BIANCO AURORA

Bianco Aurora combines a luminous white base with soft warm-grey mineral movement for elegant contemporary spaces.



**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**
15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**
Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**
Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

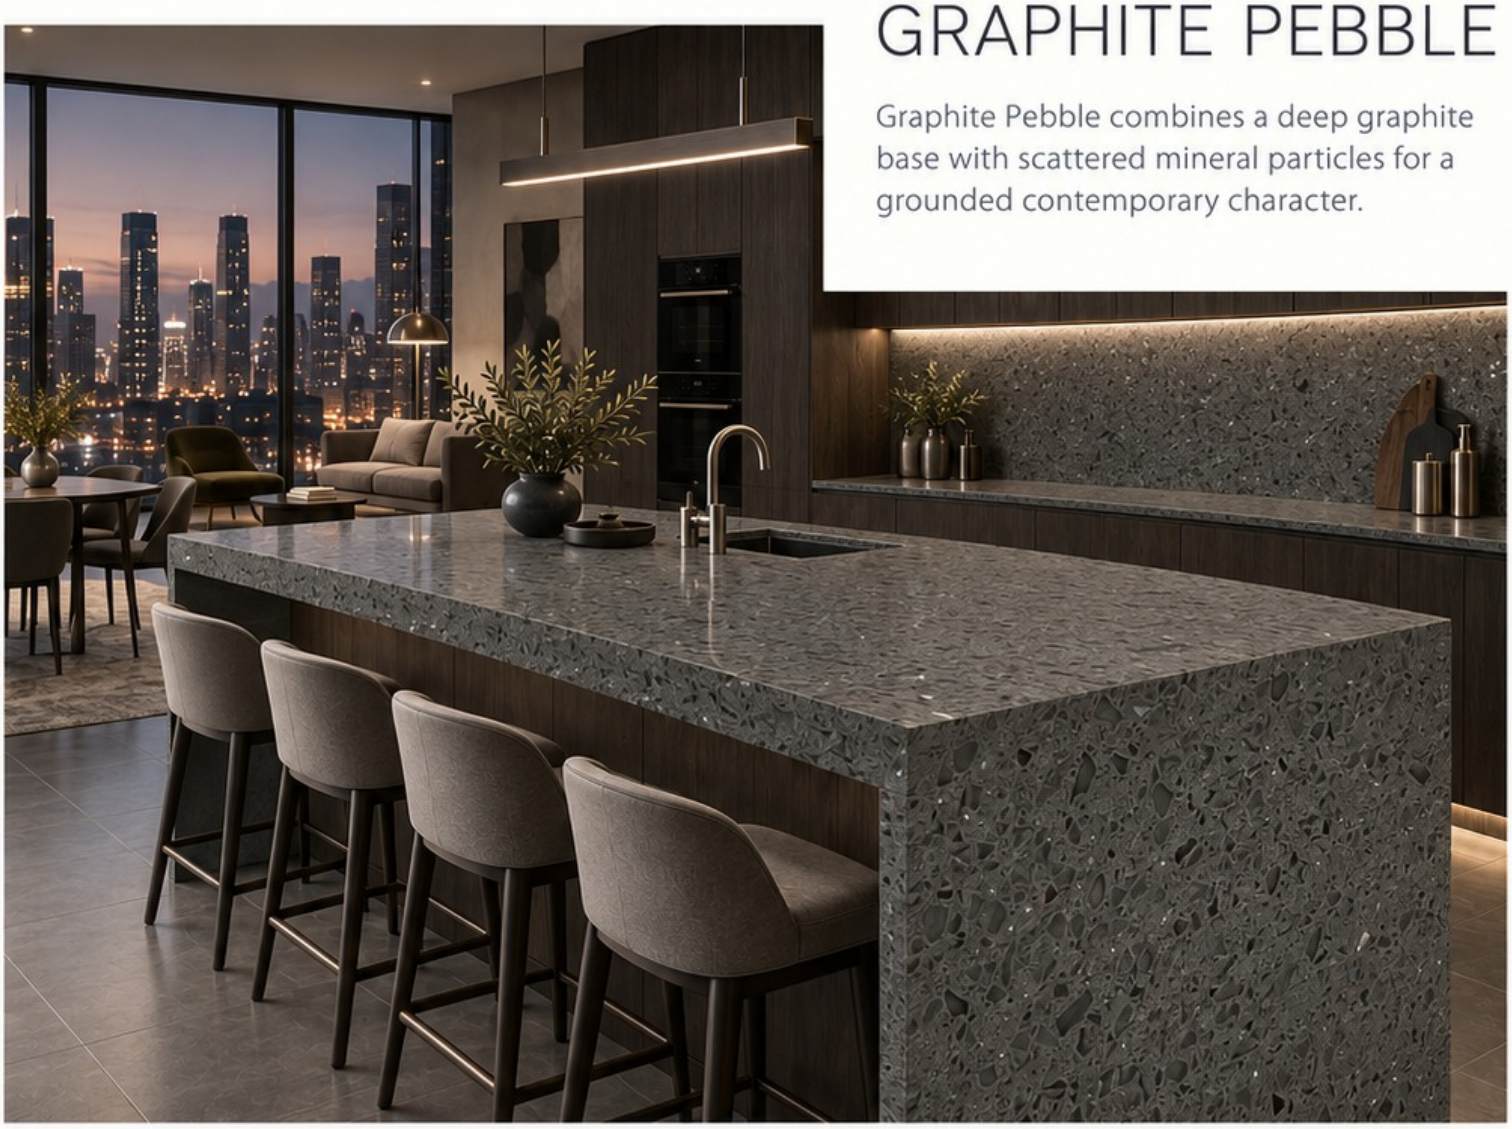
AVELITHA

ENGINEERED QUARTZ SURFACES

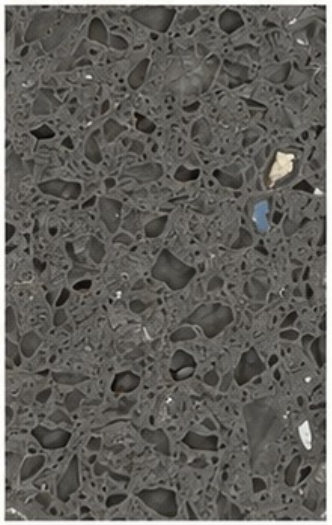
A12

# GRAPHITE PEBBLE

Graphite Pebble combines a deep graphite base with scattered mineral particles for a grounded contemporary character.



STANDARD SLAB
3200 × 1600 mm



**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

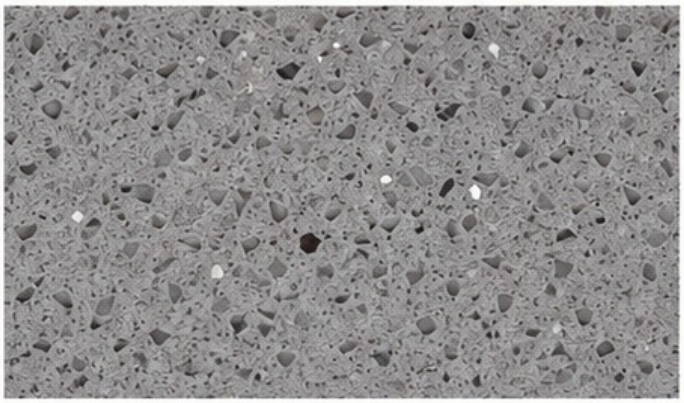
AVELITHA

ENGINEERED QUARTZ SURFACES

A13

# SILVER TERRAZZO

Silver Terrazzo presents a light grey foundation with contrasting aggregate detail for modern architectural applications.



**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES

A14

# URBAN ASH

Urban Ash offers a balanced ash-grey surface with fine uniform texture for restrained modern interiors.

**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

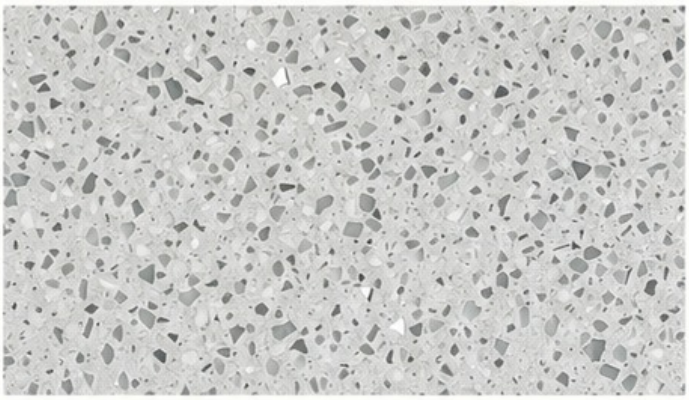
# AVELITHA

ENGINEERED QUARTZ SURFACES

A15

# ARCTIC MOSAIC

Arctic Mosaic combines a bright white foundation with expressive contrasting fragments for a crisp contemporary surface.



**STANDARD SLAB**
3200 × 1600 mm

**AVAILABLE THICKNESSES**

15 mm · 18 mm · 20 mm · 30 mm

**COMPOSITION**

Approximately 93% quartz and 7% resin, pigments and binding materials

**APPLICATIONS**

Kitchen Countertops · Islands · Bathroom Vanities · Wall Features · Hospitality Surfaces · Retail Interiors · Custom Furniture

AVELITHA

ENGINEERED QUARTZ SURFACES
